

GROUNDS
TO GROW ON™

RECYCLE
YOUR K-CUP® PODS

Creating positive change
from the grounds up.

KEURIG
COMMERCIAL

The Process is Simple:

- Place your brewed Keurig® K-Cup® pods in the Grounds to Grow On™ bin.
- Once the bin is full, present the bin with its pre-paid shipping label to UPS for pick-up, or drop it off at any UPS location. Shipping is sent through the UPS Carbon Neutral Program.
- We take it from there with the help of g2 revolution®, an innovative recycling company.

AND GETTING STARTED IS EASY:

- Visit GroundstoGrowOn.com
- Sign up
- Start recycling your K-Cup® pods!

Introducing the Grounds to Grow On™ Program

The Grounds to Grow On™ recycling program offers workplaces an easy way to collect their brewed Keurig® K-Cup® pods to be recycled.

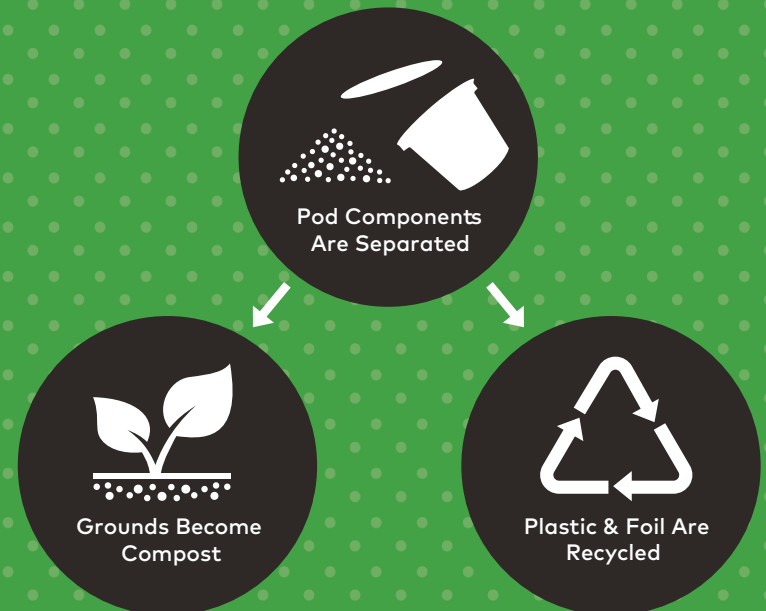

We think a second life spent as new, recycled products and enriched soil sounds like a second life worth living. Send in your brewed pods and we'll make sure their next life is a useful one.

HOW IT WORKS

WE TAKE CARE OF THE REST

Our Recovery Bins

In an effort to reduce impacts on our carbon footprint, the Grounds to Grow On™ recovery bins are bundled in packs of five (5), made from at least 70% recycled content, 100% recycled after use, and shipped via the UPS Carbon Neutral Program. Single bins are not available.

LARGE BIN

Up to 450 K-Cup®
Pod Capacity Each

SMALL BIN

Up to 175 K-Cup®
Pod Capacity Each

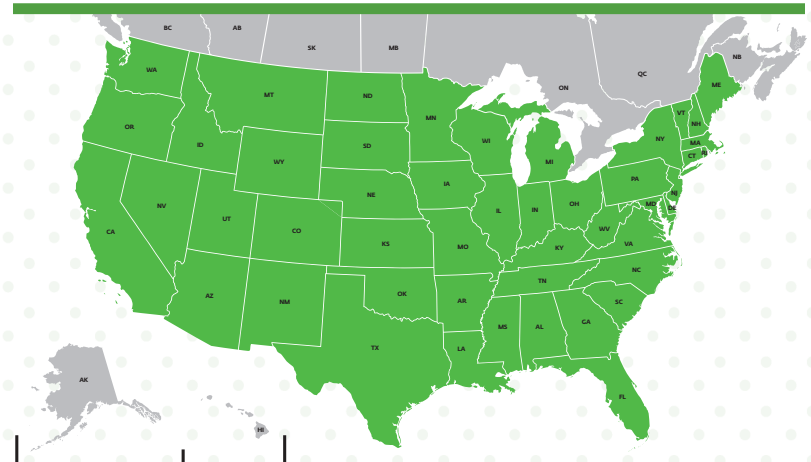

Each Recovery Bin Includes:

- Pre-paid UPS return label affixed to box
- Pre-affixed bag and zip tie seal for brewed K-Cup® pod collection and back again

Go to GroundstoGrowOn.com and choose the bin size that works for your workplace.

PLEASE NOTE: Due to the presence of organic waste, each bin should be replaced every 2-3 weeks.

Currently Available in 48 States

The Grounds to Grow On™ program is currently unavailable in Alaska, Hawaii, and Canada.
